Industrial Workshop Proposal

This document is a template for all the information relevant to each **Industrial Workshop** to be organised within EuCAP 2025. If the proposal is accepted information from this form will be used to advertise the Industrial Workshop on the conference website and in the program book.

Please complete and submit this form to **shortcourses-workshops@eucap2025.org** no later than **Friday 6 December 2025**. Please use your workshop title for the email subject line.

There are a limited number of Industrial Workshops and they will be confirmed on a first come, first served basis until the program is filled.

EuCAP 2025 will be held as an in-person event. However, EuCAP 2025 might require the Industrial Workshop to be delivered online or pre-recorded in exceptional circumstances like a pandemic.

Graphical Abstract

We encourage you to provide a graphical abstract: enclose a high-resolution picture relevant to the workshop content (it is the responsibility of the proposers that the picture can be published on EuCAP webpage without IP violation).

Option 1: attach the picture to this PDF document with Adobe Acrobat Pro. Select the Tools Tab and select the Edit PDF button in the Tools Panel. Next, select the More button in the Edit PDF toolbar. Followed by Attach File from the drop-down menu. Select the file you want to attach and select the Open Button. Your attachment will appear in the Attachment panel.

Option 2: attach the picture to the email when submitting the proposal.

Call for Industrial Workshop

Please note that the cost for Industrial Workshops is as follows:
- 90 minutes plus 2 free exhibition only passes for the day of your workshop: EUR 2,500 +VAT.
- 45 minutes plus 1 free exhibition only pass for the day of your workshop: EUR 1,500 +VAT.

The fee includes the room rental, theatre style seating, and basic audio-visual equipment such as projector, screen, and wireless/lavalier microphone for the speaker.

Note: The opportunity for Industrial Workshop is included in some sponsorship packages which you can purchase and benefit from.

Registration

While it is encouraged that all speakers have full technical program registrations to have EuCAP 2025 Industrial Workshops, it is not a requirement. Speakers may participate in the Industrial Workshops using an exhibition only pass.

Attendees

Registrants with an exhibition only pass can attend the Industrial Workshop, allowing you to invite local customers/contacts to attend.
